About Chamblee First UMC

We are situated on about 40 acres, most of it is green space. The grounds provide space for our community to enjoy a range of activities.

OUTDOOR: People walk our trails with and without their four legged family members, they play fetch on the front lawn, people are free to picnic by the creek, visit our playgrounds, and play ultimate Frisbee or kick ball. Our church is one of the few to offer the community a disc golf course.

INDOORS: We have a gym/activities building which is used to play NACBL basketball and pickle ball, AA Meetings, Rise Against Hunger and Thanksgiving food drives. Our meeting rooms are used by several Girl Scout Troops, The Atlanta Youth Flute Choir, The Georgia Brass Band, Peachtree Symphonic Winds, and various other associations.
