Convoy of Care – Disaster Relief for Georgia Tornado Victims

Collecting relief supplies for survivors in Griffin, Georgia

ATLANTA, January 24, 2023 – Following the devastation caused by multiple tornadoes January 12, WSB-TV Channel 2 is once again partnering with law enforcement, nonprofit organization [Caring for Others](#), the Georgia Motor Trucking Association, and others to lead an effort to bring disaster relief to communities ravaged by the storm. This partnership began in 2016 to bring relief to Baton Rouge, LA in the wake of historic flooding.

“I’ve walked through the impacted community, and two weeks since the storms, there still is a critical need,” said Clarence Cox, past president of NOBLE, the National Organization of Black Law Enforcement Executives. “We’ve identified a distribution center and will deliver donations the next day,” Cox said.

“At least five tornadoes tore through the community,” said WSB-TV Director of Community and Public Affairs Condace Pressley, “and the Convoy of Care is working to meet the needs government services have not.”

- Diapers, wipes, and other baby supplies
