

El Salvador Missions Trip, 2024

Letter Writing Instructions

Please participate in our missions trip and be a blessing to our team by sending notes to the team. Notes will be distributed throughout the week.

We ask that you write a note for each and every team member. We'd like for all team members to receive the same number of notes in their bundle.

Write the team members name on the outside of the envelope. Team members are:

George, India, Gerry, Deanna, Spencer, Donna, Paul, Sharon, Albert, Terry, Joe, CJ, Jennifer

Please include 2 additional notes with no name in case others join the team. If no one does, we will give them to our missionary host and perhaps the Bishop.

Contents can be:

- A personal note if you know the team member.
- An encouraging note.
- A scripture
- A bookmark
- A card
- A small game/puzzle
- Be creative. Anything fun or encouraging that is fairly (not entirely) flat and will fit in an envelope.

Envelope size can be anything up to manila size.

Please bundle sets of letters together. (bag, rubber band) and place them in the receptacle provided.

You are encouraged to write more than one, as long as they are in complete sets.
